

Community Rights - Water - Who Decides?

A Mendocino County Community Bill of Rights Ordinance

Affirms the right of Mendocino County Residents to local self-government,
the right to clean water, air and soil,
the right to freedom from pollution resulting from fracking.
the rights of natural communities and ecosystems.

Empowers community members and the County government with legal standing to enforce these rights.

Prohibits unconventional hydrocarbon extraction activities (fracking) within Mendocino County.
