

Fracking — Water — Who Decides?

A Mendocino County Community Bill of Rights Ordinance

UPHOLDS the right of Mendocino County residents to local self-government,
the right to clean water, air and soil,
the right to freedom from pollution resulting from fracking,
the rights of natural communities and ecosystems without harm
from fracking.

EMPOWERS community members and the County government with legal
standing to enforce these rights.

BANS fracking within Mendocino County.
