

**MONDAY-NATIONAL DAY OF ACTION
URGENT: PHONE WASHINGTON D.C.**

STOP THE CUTS

**In Social Security, Medicare, and Medicaid
Being considered by the current Congress**

**We have only FOUR WEEKS to protect these and other
essential programs from being cut.**

We must tell our Congressional representatives that:

- * Government must increase taxes on the super-rich to provide essential services to the public. The top 2% must pay their fair share of taxes.**
- * The outrageous Bush tax cuts on the rich should be allowed to expire.**
- * A sales tax on the purchase of stocks and other financial instruments should be adopted. Although California residents pay an extremely high tax, the rich pay no sales tax at all on stock purchases.**
- * Lift the \$110,000 income maximum for determining Social Security tax. Currently, those who earn more do not pay more.**

Congress must hear your demands that the super-rich pay their fair share of taxes and that our vital programs not be cut. Please call your Congressional Representative right away. JOIN WITH PEOPLE ACROSS THE COUNTRY ON MONDAY TO DELIVER THIS CRUCIAL MESSAGE.
