

## It's Time for Meet the Teacher 2018!

OK Everyone. It's here. Meet the Teacher! Yes for a fourth time we will be presenting to guilds and quilt shops a line of great talent for hire.

If you would like to be a presenter please fill out the form attached to this message and send it to Arlene by October 15. She will be putting together the line up of talent for this year after that date.

Each presenter will have 3 minutes to tell the meeting attendees about themselves, their special area of expertise and what they can bring to their guilds, shops and events. Presenters will also have a table space and room for a quilt stand to show off their "look". Bring written material to hand out and a calendar to help select dates that you are available.

Guilds, your participation is needed. Bring your representatives and the people responsible for booking lectures and workshops, your guild calendar for the next few years, budget and contracts. Please be ready to book the teachers at the event.

Spread the word to your quilt shops and guilds that are not a member of QGNQ to come and Meet The Teachers!

We have a lot of talent in the north state. Let's support them and celebrate quilting in our guilds.
