STEP 3 Sew the 2 eye units to the tops of pieces I. The dark solid fabric eye should be on the top right of one of the pieced units and on the top left of the other. (**Fig. 4**)

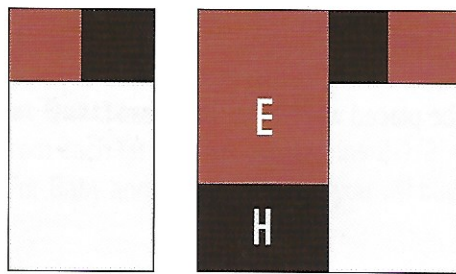

Fig. 5

STEP 4 Sew piece H to the bottom of piece E to make the nose unit.

STEP 5 Sew the pieced units from Step 3 to the left and right sides of the nose unit, placing the dark solid fabric eyes on the inside, next to the nose unit. (**Fig. 5**)

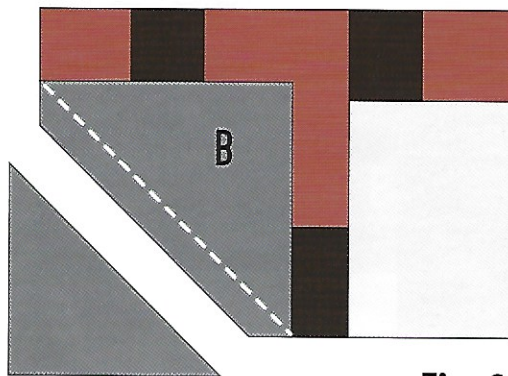

Fig. 6

STEP 6 With right sides together, align 1 piece B with the lower-left corner of the pieced unit and sew together using a diagonal seam, as shown in **Fig. 6**.
