We are doing a survey on the sewing machines our members use. This will help other members if they have a specific machine and need help with it, or if they are thinking of buying a new machine and want to know the experiences other members have had with that particular model.

Please complete a survey for EACH machine you use regularly. (If you have one that just sits in the closet and doesn't get used, no need to include that one.)

Machine brand (Juki, Pfaff, Brother, etc.)	
Is this machine a:	Domestic
	Long-arm
	Serger
	Other (explain on next line)
Model # or name	
Approximate age of the machine	
Do you use this machine for:	Piecing
	Embroidery
	Free-motion quilting
	Computerized quilting
	Garment making
	Other (explain on next line)
How often does your machine need servicing?	
Where do you have it serviced?	
Do you recommend this place?	Yes <input type="checkbox"/> No <input type="checkbox"/>
What features do you especially like about this machine?	
What are the things you don't like about this machine?	
Please add anything else you think would be valuable for other members to know about your machine.	

Please return this survey (one for each machine you use) to:

Sharon Lau, PO Box 1653, Mendocino, CA 95460

Or scan it and email it to: [sharon@oceanwavequilters.com](mailto:sharon@oceanwavequilters.com)

Or take it to Sew 'n Sew and place it in the envelope in the Ocean Wave Quilters corner.

Thank you!
