

Ocean Wave Quilters

March 2022 Newsletter

President Message

Hello fellow quilters !

The March retreat will be online in March for two days, Friday the 18th and Saturday the 19th. Even though it is so much fun to get together in person, seeing everyone and sewing together is also a great experience. Lonna Oliver will be in charge so email her at earlon@aol.com and join in.

I am really looking forward to the April luncheon and seeing the UFO reveal. I almost have mine finished; it came out different than I originally planned. Laura Fogg will also be giving a presentation at the luncheon; she is so talented and interesting. Be sure to sign up and join us!

See everyone at the March 13,2022 Ocean Wave Quilters meeting.

Zoom March Retreat - Lonna

A two day Zoom Retreat will be held on Friday, March 18th and Saturday, March 19. Retreat times would be 9am to 4pm divided into two 3-hour sessions - 9am to noon with an hour break for lunch, errands, etc. and begin again from 1 pm to 4pm. Attendees will mute when sewing on machines but can speak with each other when working quietly. Every hour at the 50-minute mark we will open this up as a 10-minute discussion/sharing time. I will send a link once I get the sign in information from Sharon. Direct any questions or comments to Lonna Oliver at earlon@aol.com or 707-962-4944.

Quilt Show.....Nancy K.

We are progressing toward our 2022 Quilt Show on June 25 - 26 at Dana Gray. If for some reason we cannot have an indoor show, we will prepare for an outdoor Quilt Show . Soon you will receive the details of the show i.e.: volunteers, quilt entry information, events at the show, Quilt Walk info and much more. If you would like to join the Quilt Show Committee, we will be meeting at Sew n' Sew on Wednesday, March 2, 10 a.m.

Sharon L. - COVID Booster Documentation

I am collecting pictures of COVID cards showing booster shots. If you haven't already submitted yours, please do so. (You can email them to sharon@oceanwavequilters.com, text them to 707-357-7447, or snail mail them to PO Box 1653, Mendocino 95460.)

You will be unable to participate in any indoor OWQ activities if we don't have your booster card.

Framed - Linda W.

During the break at our February meeting, we lowered the quilting frame and reviewed what the hand quilting group was working on two years ago. This is Stella Regalia's quilt, and it will be stitched beside each seam. When we are comfortable meeting indoors again, we will meet at the Senior Center from 1-4 pm on Tuesdays to begin stitching on this quilt. Information about the quilting frame is available on the OWQ website.

Tip of the Month

Daisy W.

Do you make test blocks? I certainly do. I "make" them on my computer as well as laying the colors out on the design wall (or bed or table). If the fabrics get past all of this, I make a single block. Who wants to cut a lot of fabric wrong? Fabrics may look well together but in the block they just don't click. It also allows me to check the pattern and my sewing for accuracy as well as the process I want to use. Sometimes the steps in the pattern just don't fit the way I like to work.
