6. Show and Tell:

- **Sharon G** shared four quilts. She completed two tops for Nancy Y. Sharon and Nancy shared them together as they were quite large. One is a pieced quilt with black, white, blue, and yellow. The second one took her two weeks to do. It was a paper pieced "Storm at Sea" with blue, yellow, white and black. Her third quilt was hand-quilted in white, blue, and brown fabrics depicting sailing boats. Lastly, Sharon used her mask fabrics in yellow, gold, white and black prints.
- **Dee G** shared a cute backpack that Connie M made for her 1-year old grandson. It has little dogs on it. Dee also shared a large quilt with a former BOM on the front and green check fabric on the back.
- **Kathy M** shared a Double Wedding Ring Quilt she made using American Jane fabrics by Sandy Klop. This is her second quilt of this pattern. The first one she put the scalloped binding on before it was quilted. The quilt she shared today was quilted first by the longarm quilter from Cloverdale. Kathy was not as happy with the quilting on this one. She thinks it needs to be quilted along the small pieces of the rings. Also, this scalloped binding is much harder to do now that the quilt is quilted.
- **Carole P** shared three quilts. The first was a Quilting Sampler done with Machine Embroidery blocks. The background of some blocks is black and some is orange. She also shared a completed UFO Challenge because she will not be at the April 10th meeting. It was a block of about 14" x 14". Carole added the thread painted trees to this landscape quilt. Her last quilt was purple, gray and green. Blocks were a large floral in purples. Marion Drain did the quilting.
- **Linda W** shared two quilts. The first was done by Stella R using the BOM that Daisy taught in shades of green with no sashing. The second one was a UFO from an unfinished project that she found on the free table. Linda calls it the "Tree of Life". She had to use a 60-degree ruler to make the chevrons. It appears to be stained glass with whites, pinks, blues, and burgundy. She used a thin black sashing.
- **Marcia W** shared a Dress-a-Girl dress in blue, with red binding. She also shared an Infusion Quilt with a lake theme in blues, brown, and beige.
- **Lony F** shared 2 quilts. The first quilt was Sesame Street themed. It had large blocks of different Sesame Street characters. Her second quilt was made up of knitted squares during Covid lockdown time. She crocheted the knitted blocks together.
- **Daisy W** shared 3 projects. The first one was a top only. It is a scrappy quilt with black sashing. The second quilt had yellow background flowers titled "Sew Kind of Wonderful". She appliqued the orange onto the blocks and quilted it with a walking foot. Her last quilt was purple, white, and black done on point.
- **Nancy Y** shared a green quilt completed in Sharon L's class using the **Miserly Methods** technique. It is sandwiched and needs to be quilted. Her second quilt had periwinkle hearts. It is sandwiched and ready for quilting.

7. **Final thoughts** – Please take your items from the Free Table. Sharon L needs a copy of your Covid vaccination/booster card for the Senior Center.
