

Ocean Wave Quilters

June 2022 Newsletter

President's Message

I would like to thank everyone who signed my get-well card. It came in the mail on a day that I was not feeling well, and it really cheered me up.

I will be presenting an example of the quilt block for the large 2023 opportunity quilt at the next meeting in June (postponed one month because I was ill). If you can't make the June 12, 2022, meeting, I will have the instructions at Sew n Sew. A few people tested the pattern for me, and the blocks really look nice! The quilt will be a nice one.

It has been my pleasure to serve as president this past year and I thank each one of you for volunteering and contributing to making Ocean Wave Quilter's a wonderful guild. I encourage everyone to get involved in some way, it is very rewarding.

We are still in need of volunteers to work at the Fort Bragg Quilt Show so sign up at the next meeting or contact Sharon Rowan. The Fort Bragg Quilt Show takes a lot of work to produce so please help in whatever way that you can.

Once again, thank you from your outgoing president.

Paula

Sunflower Mini-Quilt Online Auction: A Fundraiser for Ukraine

The online auction of the sunflower quilts (that several of our members participated in) will be held *Wednesday, June 8, 2022 to Friday, June 10, 2022.*

This online auction joins the International Quilt Museum and its partners, [Lincoln Rotary Club #14](#) and [Friends of the IQM](#), in raising funds for Ukraine to directly [support efforts](#) to provide disaster relief, including immediate shelter, supplies and personnel.

If you go to the link below you will see some of the quilts (including Dee's!!) that will be auctioned. There will also be a link on this page that will lead you to the auction site.

Approval of 2022-2023 Budget - Sharon L.

Per our bylaws, our membership needs to vote to approve the budget for the upcoming year. Below is a spreadsheet of the 2021-2022 budget and the recommended 2022-2023 budget as approved by the Board at their meeting on 5/31/2022.

While our expense is budgeted to exceed our income, our trend so far this fiscal year shows our income for dues and raffle baskets to outstrip what is currently budgeted. We anticipate that donations will also increase in the coming year, and it is possible that we might also find additional grant funding. Our bank balance is healthy, so absorbing the difference in expense versus income for the coming year will not be a hardship (although this is not something we can sustain for multiple years).

If you have questions about the budget or about the budget process, please let me know prior to our General Meeting on June 12 so you can feel comfortable voting.

A very belated – but heartfelt “thank you” – to all who participated in surprising me with a beautiful cat heart quilt at our luncheon meeting in April! It’s an amazing quilt – so creative! And the sentiment behind it, as well as the notes and kind words of support, were greatly appreciated. You have all been instrumental in helping me through this difficult time.

DRESS A GIRL AROUND THE WORLD DRESSES – Ginny C.

As one of our many service activities we make dresses for a project led by Hope 4 Women International. This project aims to give every girl in 90 different countries around the world at least one new dress. There is fabric and other supplies available from the guild. Instructions/pattern can be found on our OWQ Website.

We need a new point person for this service. This volunteer will need to manage the fabric and supplies that the guild has for the project. The job will require that the dresses be collected and accumulated. Once 20 to 25 dresses are gathered, they are mailed off to the Hope 4 Women ambassador. Every month a record of the number of dresses mailed off needs to be reported to the chair of the service committee and a tally of dresses needs to be kept for the entire year. This annual total is reported at the appreciation luncheon usually held in March or April.

This is an easy job and is a great service for our guild as well as the greater international impact. Over the last 4 years I have done this job, I have sent off over 100 dresses in 4 or 5 mailings. So, you can tell this is not a position that involves a lot of time or effort. **Please consider signing up for this position in our guild.** Your participation will be greatly appreciated, and you'll get the added benefit of seeing all those cute little dresses that can really have a global effect.

Art Quilt Show - Nancy K.

The Mendocino Quilt Artists group is having a show called "Textile Evolution". The group is primarily an art quilt group, but it seems the show may also include quilting history. One of the artists is, of course, Laura Fogg.

Recap of the Quilt Guilds of the North Quarter Meeting in Orland in April - Daisy W.

We belong to an organization called Quilt Guilds of the North Quarter, which is made up of guilds from primarily rural areas of the Northern half of California. These guilds tend to have more in common with us than the guilds that belong to the Northern California Quilt Council.

I recently attended a meeting of this group in April in Orland. A quick summary of the meeting:

Upcoming quilt shows include:

6/25 & 26 - Ocean Wave Quilters

July 14 through 17 - Log Cabin Quilters, Hayfork.

10/1 & 2 - Ladies of the Lake at Kellysville Fairgrounds

10/15 & 16 - Ridge Quilters - Paradise

11/5 & 6 - Annie's Star Quilt Guild - Silver Dollar Fairgrounds, Chico

Several guilds mentioned instructors that were well received including Julia Curry, Linda Ballard, and Deb Brothers.

The guest speaker at the meeting talked about modern quilts and how many mid-century modern quilts fit in with today's definition of "modern" including large blocks of color with lots of negative space.

The next meetings are:

July 30 - hosted by Sutter Buttes Quilt Guild, Sutter

Oct 29 - hosted by Sun Country Quilters, Red Bluff (includes Meet the Teacher)
