Opportunity Quilt Details

STARS OF WONDER

62" X 80"

The pattern choice for this quilt was happenstance. Two guild members were "pattern surfing" when they came across it on the [Missouri Star Quilting Company](#) website with an accompanying [tutorial](#) by Jenny Doan. The design offered ease of cutting and construction with an infinite number of design options.

The designers, Material Girlfriends, are twin sisters, members of a neighboring quilt guild, teachers, lecturers, designers, and quilting enthusiasts. They are the featured artists at GQCCC's 2024 Quilt Show.
