

QGNQ
Paradise 1/27/24

I'm sorry this is a bit late but was uncertain what to write as this was a Meet the Teacher's event. But, here goes:

Meeting officially began at 11 am. The first order of business was to have everyone introduce themselves along with their guild. Afterwards, each guild talked about their upcoming events long with noting any teachers they would recommend or not.

Each teacher spoke about their offerings and that lasted until about 12:30 when we broke for lunch. A copy of all the offerings was given to our Education Chairperson.

Lunch was a wonderful chili bar with Cowboy Chili, a turkey chili, ground beef chili, a stew meat version, and 2 vegan versions along with regular cornbread and vegan cornbread. Cookies for dessert.

There were Opportunity Quilt tickets available from various guilds (see pictures below).

After lunch, there was a 45+ minute discussion on guild insurance with the recommendation for the guilds to look into the offering from Southern California Quilt Council. OWQ has their insurance through them so I paid scant attention.

There was short show and tell with just a couple of quilts.

The meeting ended at 2:15.
