**Tip of the Month:** Bobby K. shared information on Roxanne Glue Baste It. The product has a needle tip and is helpful when gluing down appliques. A Website for finding fabric that you might just need a bit to finish a product is [www.knoxgroup.com/missing\\_fabrics/](http://www.knoxgroup.com/missing_fabrics/). Friction Ironaway Pens is a good product to use when drawing lines. She also recommended saving small pieces of thread and rolling them up on your finger to have a small bundle to use when you need it.

**Special Events:** The meeting started with Steffanny distributing the Round Robin kits to the first people to add their borders.

The retreat this week at Albion went very well. More members participated than ever. Linda W gave thanks to Stefanny for the setup. Nadine thanked Dee for all of her help and tips. Dee did a great job leading. During the retreat 2 iron were broken and they along with cutting mats need to be replaced. Dee will get a price and it will be voted on next meeting.

**Quilt Show:** There was no report. The next meeting of the committee will be Nov. 6.

**QGNQ Meeting:** Planning for the meeting hosted by OWQ at the Fort Bragg Veterans Hall on Oct 26 is going well. Susan C. is asking for more people to bring items for the salad bar. Plenty of cookies are being donated. So far only 2 people from out of the area have RSVP. The meeting starts at 11 a.m. but setup will need help. She will contact members for help.
