

Ladies of the Lake has room for more quilters in our workshop on Sunday, November 10th!

Yvonne Phenicie (like Tennessee with a /f/ at the beginning) is coming to our guild on Sunday, Nov. 10th. She will be guiding us in making this gorgeous Ombre Bargello quilt. You will need 1 $\frac{3}{4}$ yards of both the ombre and the secondary fabric plus a yard (I'm planning on using it for my binding) or less of the accent fabric. This will make a 40" x 55" quilt.

Yvonne is offering three designs and two patterns of the Ombre Bargello in her class on Sunday.

The class will be held at the Scotts Valley Women's Clubhouse in Lakeport. Cost is \$75 plus a \$10 pattern fee paid to Yvonne directly on that day. Call Gretchen Moore at 707-459-3141 to reserve your spot and get more information.

By the way, I recently received an email from Bolt in Cloverdale that showed numerous ombre fabrics.

We hope to see you!
