

## **Community Center Fence Ribbon Cutting Party**

### **Day Events, Club Member and Community Center Assignments**

The captioned event will be held on Saturday May 2, at 12:00, in the Community Center (CC). To make it a success we will need all hands on deck by Rotarians and Community Center staff in a format somewhat similar to the Rotary golf tournament in terms of people. We expect 25-75 celebrants, including Rotarians, Community Center supporters, School District persons, and many from the community who come to have fun, talk, dance and celebrate our community.

There will be a chance for both Rotary and the CC to increase their estimation in the eyes of supporters. There will be a registration booth, display stands, hot dogs and sausages, popcorn, a charcuterie plate and dessert as well as a band, cornhole games and other festivities.

### **Programmed events and tasks are as follows:**

12:00-2:00, eating, playing, music, speeches.

Talk by Peg: of the community center, what it does, importance to the community, collaboration with Rotary for the project; LaDonna—Rotary, what it does, importance to the community, collaboration with the School District and Community Center; Jeff—-the project, the challenge, how the partners worked together to get it done, what it meant for Rotary and its members. Awards, and about the gathering: food, music, conversation, corn hole games, being a community.

### **Timeline and Responsibilities:**
