

COVID-19 Survey (\$100 Award for a Lucky Winner)

Hello from the Covid Response Network!

We need your help to better serve you and everyone else on the Mendocino Coast. This is an anonymous survey, and the answers will help us and our partners figure out how to do helpful outreach and distribution of free masks and signs. After submitting a completed survey you will receive directions on how to enter the sweepstakes for the \$100 prize!

*** Required**

12. Which message do you think will be more compelling to peers in your age group and race that are not being disciplined in wearing masks: *

Mark only one oval.

- People spread the virus the most a day before they show symptoms. So please wear a mask in case it is that day for you, as that will lessen the chance that your loved ones who are more fragile will get the virus from you or from the strangers you infect.
- The risks in getting COVID are not only death (about 1 in 30 in the U.S.), but also a "recovery" that includes lifelong impacts like needing an expensive lung replacement or heart replacement to be able to play sports again. So please protect yourself and wear a mask.
- Our local economy is under pressure. Lowering the COVID infection rate will allow more openings, more jobs, and more money. So please wear a mask even if you do not feel sick.

13. How do you plan on keeping you and your loved ones safe during the holiday season?

Mark only one oval.

- We will stay in our close, small pod and Facetime/Zoom/call extended family members
- We will wear masks and celebrate indoors with extended family pods
- We will celebrate outside using socially distanced table pods
- Other: _____

14. Since people can have and spread COVID but not show symptoms, how do you feel about getting a free, drive-through COVID test to make sure you are not one of those people?

Mark only one oval.

- I am ok with getting tested
- I'm fine with it, but don't want to get tested unless I have symptoms
- I don't want to get tested even if I have symptoms
