

The Last Ecstatic Days

Join Aditi Sethi, Jay Brown and Kim Rosen for a life-changing and potentially death-changing evening, a portrait of what it means to meet death, and the powerful and poignant journey towards it, undefended and curious.

In an underground sanctuary, welcomed by music and poetry, we will watch the movie, *The Last Ecstatic Days*, followed by a communion of kirtan, poetry, meditation and sharing.

Friday, August 15

6:30 - 9:30 PM
